

SPECIFICATION

Recessed Soap Dispenser shall hold and dispense 1 litre of liquid and lotion soaps, synthetic detergents and antibacterial soaps containing PCMX and/or Triclosan. Dispenser tank, door, mounting frame and push button valve shall be fabricated of stainless steel, grade 304. Door and tank shall be fabricated as one integral unit from 18 gauge. Mounting frame shall be fabricated of 22 gauge. Door shall be held closed with a tumbler lock keyed alike to other JD MacDonald washroom equipment and have 13mm square return to wall. Cabinet shall have no exposed fastening devices. A tamper resistant sight gauge shall be provided. Valve operation requires no more than 2.26kg of pressure to actuate without grasping or twisting by operator. Valve shall be constructed of a chrome-plated brass body with stainless steel and plastic internal parts. All exposed surfaces shall be No. 4 satin finish and be protected during shipment with a PVC film easily removable after installation.

INSTALLATION

Unit is mounted in wall recess using two (2) No. 10 self tapping screws (supplied by others) through concealed mounting holes provided. Note that top of rough wall opening is 14mm below top of unit. Rough Wall Opening (RWO) required is 150mm x 150mm x 100mm. For mounting height standards refer to current Building Code of Australia for able bodied and/or disabled use.

OPERATION

Soap is manually dispensed by pushing valve button until supply is depleted. Unit may be reloaded easily by removing door/tank assembly with a partial load in place and will continue to feed properly. Tank supply is replenished manually on cycle determined by maintenance needs.

Recessed Soap Dispenser shall be Model No. 0327 as supplied by JD MacDonald.

All JD MacDonald disabled compliant products when installed must be in accordance with AS1428 to ensure the specified product is complying with all washroom specification requirements.

JD MacDonald reserves the right to, and does from time to time, make changes and improvements in design and dimensions. The photographs and line drawings of the products in this flyer are representational only. All dimensions are in millimetres.
